WHY MS HEALTHCARE MANAGEMENT AND INNOVATION AT LUMS?

SULEMAN DAWOOD

SCHOOL OF BUSINESS

Founded in 1985 as a not-for-profit, LUMS has pioneered innovative educational trends. The expanse of research and teaching at LUMS offers its community 'Learning without Borders' by breaking academic, geographic, and socio-economic barriers to enhance students' academic exposure and make education accessible to all.

Suleman Dawood School of Business (SDSB) at LUMS is the only business school in Pakistan accredited by AACSB. To date, less than 6% of the business schools globally are AACSB-accredited. Since its inception, SDSB has developed highly skilled graduates who have proven their ability to lead, transform, and create long-lasting changes in business and society.

MS HEALTHCARE MANAGEMENT AND INNOVATION

The MS in Healthcare Management and Innovation (HMI) is a 1.5-year weekend programme that envisions to provide an intensive, rich and innovative understanding of the intersection between business fundamentals and healthcare management. It aspires to impact the practice of healthcare management by producing leaders, innovators and managers.

In today's dynamic and swiftly evolving healthcare sector, effective leadership and management are vital for delivering high-quality and accessible patient care. The MS HMI programme will provide practicing and aspiring health professionals with the knowledge, skills, and strategic mindset needed to tackle the diverse challenges encountered by healthcare organisations. The programme is curated to ensure that the students, led by experienced faculty members and accomplished industry professionals, engage with a diverse curriculum that spans healthcare policy, finance, quality improvement, and leadership. This approach ensures a comprehensive grasp of the complexities involved in overseeing healthcare systems.

Whether you are a hospital administrator or a medical practitioner running your own practice, the MS HMI programme will provide you with the academic rigour, hands-on experience, and a focus on emerging trends to empower you to make impactful contributions to the continually evolving landscape of healthcare management.

PROGRAMME STRUCTURE

The MS HMI weekend programme requires 1.5 years to complete 33 credit hours. Participants may be required to attend some class sessions on selected weekdays. Participants of this programme will undertake substantial academic work with continuous peer and faculty interaction between these sessions.
