THE UNIVERSITY

Lahore University of Management Sciences (LUMS) is a national nonprofit university, established by sponsors belonging to the country's leading private and public sector corporations. The goal of the sponsors was to develop an institution that would provide rigorous academic and intellectual training and be a feasible alternative to leading universities abroad.

The National Management Foundation, the sponsoring body of the University, was incorporated in November 1984 and was granted a charter by the Government of Pakistan for establishing the University in March 1985, with the president of Pakistan being designated the role of the University's Chancellor. Through this charter, the University was given the legal right to establish degree-granting programmes. The Board of Trustees, the policy-making body of the University, comprises leading members of the business community, academia and representatives of the government. The principal functions of the board are to set broad policy guidelines and to review the operations of the university. The board of Governors, being the sponsors of LUMS, raises the necessary funds for the university's operation and maintenance. Many board members are representatives of the business community and form a crucial link between the university and the industry.

In 1986, LUMS launched its business school with a world-class MBA programme (the school has been renamed as the Suleman Dawood School of Business-SDSB). In 1994, LUMS started a BSc Honours programme in economics and computer science. Over subsequent years, this evolved to include more specialisations. In 1999-2000, the School of Arts and Sciences (SoAS) was formed to oversee the undergraduate programme at LUMS. Later on, Master’s programmes in economics, computer science and computer engineering were also added, followed by the launch of doctoral programmes in computer science, computer engineering and mathematics. In addition, a Bachelor's programme in two majors: accounting & finance, and management science, a PhD programme in management and an executive MBA programme were added to the programmes offered by SDSB. In 2002, a five-year, integrated, BA-LL.B degree was also included to the list of programmes offered by SoAS.

As the programmes and departments expanded, it became apparent that the scope and diversity of the programmes offered by SoAS demanded more meaningful division and focus. Hence, in 2006, the School of Humanities and Social Sciences was established, which was later renamed as the School of Humanities, Social Sciences and Law (SHSSL) in 2008 that oversaw the Social Sciences, Economics and Law Departments. The School of Science and Engineering (SSE) was launched in 2008 to oversee the Departments of Mathematics, Computer Science, Physics, Chemistry, Biology and Electrical Engineering. Recently, both schools have been renamed as Mushtaq Ahmad Gurmani School of Humanities & Social Sciences (MGSHSS) and Syed Babar Ali School of Science and Engineering (SBASSE), respectively. A fourth school, Shaikh Ahmad Hassan School of Law (SAHSOL) has also been launched.
ACADEMIC REGALIA

The graduation ceremony is a grand and colourful affair that marks a rite of passage. The academic regalia, the pageantry of the academic procession and the conferring of degrees is enlivened by the colours and costumes of graduates, faculty, trustees and office bearers of the University.

PHILOSOPHY OF REGALIA

The philosophy behind the colours and gowns of LUMS is as follows:

The University colour white appears in all gowns. It symbolizes the association of all members with the institution. Royal blue is the colour of all graduate degrees and maroon is the colour of all undergraduate degrees awarded at LUMS.

The Chancellor and the Pro Chancellor wear gowns edged with gold stripes. The Rector wears a gown with an edging of silver. The Vice Chancellor wears a gown with white, royal blue and maroon stripes. The Trustees wear gowns with a white border reflecting their association with the institution. The logos of the University and the National Management Foundation, the sponsoring body of LUMS, are embroidered within the borders of their gowns.

The Deans wear gowns that denote their positions as Heads of the Schools. The gowns have stripes of white, royal blue, maroon and the colour of each individual school.

The faculty gowns have stripes of white, royal blue and maroon, thereby reflecting the degree programmes offered at LUMS.

The gowns of the graduating class reflect the degree and the school.

Graduate Programmes

The candidates for the PhD, MBA and Executive MBA degrees of the SDSB wear gowns with stripes of white, the University colour, royal blue, the graduate degree colour and drab, the colour of the school.

The candidates for the Master's degree of MGSBHSS, wear gowns with stripes of white, the University colour, royal blue, the graduate degree colour, and golden yellow, the colour of the school.

The candidates for the PhD and Master's degrees of SBASSE, wear gowns with stripes of white, the University colour, royal blue, the graduate degree colour, and orange, the colour of the school.

Undergraduate Programmes

The candidates for the Bachelor's of Science, SDBS, wear gowns with stripes of white, the University colour, maroon, the undergraduate degree colour, and drab, the school colour.

The candidates for the Bachelor's of Science, & Bachelor's of Science, MGSBHSS, wear gowns with stripes of white, the University colour, maroon, the undergraduate degree colour, and golden yellow, the school colour.

The candidates for the Bachelor's of Science, SBASSE, wear gowns with stripes of white, the University colour, maroon, the undergraduate degree colour, and orange, the school colour.

The candidates for the Bachelor's of Law, SAHSOL, wear gowns with stripes of white, the University colour, maroon, the undergraduate degree colour, and red, the school colour.

The golden stripe over the maroon base strip denotes the honours degree of the BSc programme.

ABOUT THE SPEAKER

Renowned lawyer and human rights activist, Asma Jahangir is the keynote speaker for the 27th LUMS Convocation Ceremony, to be held on Wednesday, June 17, 2015.

Ms Jahangir is an Advocate at the Supreme Court of Pakistan and a Partner at AGHS Law Associates. She was elected President of the Supreme Court Bar Association of Pakistan in 2011 and was twice elected as Chairperson of the Human Rights Commission of Pakistan. Ms Jahangir is also a Director of the AGHS Legal Aid Cell, which provides free legal assistance to the needy and was instrumental in the formation of the Punjab Women Lawyers Association in 1980 and the Women Action Forum in 1985.

She was placed under house arrest and later imprisoned for participating in the movement to restore political and fundamental rights under the military regime in 1983.

Ms Jahangir has authored two books and five papers. She has received honorary Doctor of Law degrees from the University of St. Gallen, Switzerland; Queen's University, Canada and Amherst College, USA.

She is the recipient of several international and national awards including the 2014 Right Livelihood Award, 2010 Freedom Award, Hilal-i-Imtiaz, Sitara-i-Imtiaz, Ramon Magsaysay Award, 1995 Martin Ennals Award for Human Rights Defenders, the UNESCO/Bilbao Prize for the Promotion of a Culture of Human Rights and was awarded an Officier de la Légion d'honneur by France. On June 4, 2014, she was awarded with the “Stefanus Prize”, a Human Rights Prize emphasising the Freedom of Religion or Belief.

In 1998, Ms Jahangir was appointed United Nations Special Rapporteur on Extrajudicial, Summary or Arbitrary Execution of the Commission on Human Rights and in 2004 she was appointed United Nations Special Rapporteur on Freedom of Religion or Belief of the Council of Human Rights.

She led the campaign waged by women activists against the promulgation of the controversial Hadood Ordinance and draft law on evidence. Moreover, she has defended cases of discrimination against religious minorities, women and children.
GIVING TO LUMS

Your contributions help fund facilities, programmes, research and scholarships, and hence will play a role in shaping a bright future of the University. You can allocate your gift to a particular school or programme or leave your gift unrestricted so it can be used for rising needs and requirements, such as maintenance, refurbishment and upgrading of infrastructure and equipment, scholarships or technology.

Any donation, large or small is welcome and would be a great contribution towards the University's mission of providing world class degree programmes to all students, at a campus that meets international standards. Please find below opportunities to support LUMS.

I. LUMS Financial Assistance

Financing a student’s education is a commitment involving the student, his/her family and the University. LUMS gears all efforts towards assisting as many students as possible within its limited resources. Financial assistance is offered to students with demonstrated need. These awards at the undergraduate level are available in the form of tuition waivers and do not have to be repaid. They cover partial to full tuition fee expenses of the programme. The students financed under this programme are able to contribute partially or even nothing, thus their financing varies from 20% to 100%. These awards are reassessed each academic year based upon performance and demonstrated financial need of the students.

Application for financial aid does not affect the chances of admission to LUMS.

- Some 30% of students are on financial assistance in 2014-2015
- In 2013-14, PKR 352 Million were granted to students at LUMS
- Since 1986 LUMS has disbursed over PKR 2.2 Billion in financial assistance

II. National Outreach Programme (NOP)

The National Outreach Programme (NOP) is another LUMS initiative to promote and cultivate the widespread talent and potential of Pakistan. The programme was launched in 2001, with an aim to extend world-class education to the brightest students with humble financial backgrounds from all over Pakistan. Based on financial assessment, this programme covers 100% Tuition Fee, Registration, Accommodation, Living and Book Allowance. The NOP focuses on identifying promising students with exceptional educational records from the lowest-income households and inducting them into LUMS undergraduate programmes.

Impact of NOP:

- 742 students have been inducted so far
- 291 students have graduated since inception in 2001
- 18 Fulbright Scholars
- 1 received Erasmus Mundus Scholarship
- Inducted at Harvard, Columbia, Cornell and NYU
