BE THE CHANGE YOU WANT TO SEE IN THE WORLD

MASTER OF SCIENCE (MS) BUSINESS & PUBLIC POLICY
FALL 2021
SULEMAN DAWOOD SCHOOL OF BUSINESS

#LearningWithoutBorders
#MeritMatters
SDSB is Pakistan’s only business school to have achieved accreditation by AACSB International — The Association to Advance Collegiate Schools of Business (AACSB). Just around 5 percent of the world’s business schools have currently earned this distinction. The rigorous accreditation process ensures that an accredited institution matches global standards of education and is constantly evolving in response to the needs of its stakeholders. SDSB’s AACSB accreditation speaks to the quality of its education and research, enabling it to stand out not only in the region, but around the world. The vision of AACSB International is strongly reflected in SDSB’s commitment to ensure an environment of continuous improvement ingrained in all aspects of the School’s life.

To enhance students’ academic exposure and diversify faculty’s teaching and research, the expanse of research and teaching at LUMS truly offers its community ‘Learning Without Borders’ by breaking academic, geographic and socio-economic barriers to make education accessible to all. The University continues to be an intellectual hub, rich with varying perspectives and transformative ideas. With an environment brimming with inclusion, unity, and boundless knowledge, learning continues within and beyond the campus walls with the aim to develop innovators, leaders and change-makers who can contribute to the community and build strong borderless networks.
THE MASTER OF SCIENCE IN BUSINESS AND PUBLIC POLICY

The programme aims to provide business understanding tied to leadership-based knowledge in public policy to open up careers in:

- Public sector spaces
- Chambers of commerce and industries
- Consulting firms
- Policy communication
- Government relation divisions within multi-national organisations
- Non-governmental and civil society organisations

As a Business and Public Policy graduate you will:

- Understand core business and policy interface to deploy the necessary skills required to formulate public policy.
- Appreciate challenges in the implementation of public policy and contribute to policy debates.
- Understand the role of regulation and policies as a potential force of business empowerment and economic mobilisation.

The blended learning methodology at SDSB seeks to ensure:

1. ACADEMIC SUCCESS
   To improve learning
2. LINKAGES
   To improve connection between theory and practice
3. ENGAGEMENT
   To increase student participation in class and motivation for learning in their specific areas

The Master of Science in Business and Public Policy is a diverse programme that will equip you with knowledge, understanding, and experience relating to the management of modern public sector organisations. It will expose you to innovative business practices used in designing policy for the advancement of economic activity. Special emphasis is given to how institutions of trade, commerce, and government mutually shape the agenda for economic policy. Expert faculty members from SDSB along with other schools at LUMS will teach in the programme, making it a ‘no borders’ initiative.
PROGRAMME STRUCTURE

The Master of Science business-based programme requires 1.5 years to complete 33 credit hours.

1ST SEMESTER
CORE COURSES
(15 credit hours)
- Business Economics
- Organisations and Leadership
- Financial Management and Accounting
- Marketing Management

2ND SEMESTER
SPECIALISATION COURSES
(12 credit hours)
- Policy Design and Delivery
- Business and Government Relations
- Firms, Markets and Public Policy
- Policy Analysis and Communication

3RD SEMESTER
FIELD THESIS
(6 credit hours)
In the last semester, all students undertake a practical field project carrying 6 credit hours. The project will be structured around major policy challenges with a real client organisation, giving students the opportunity to take the knowledge and theory they have learned and apply it in a real-world setting. A final report and presentation to the client proposing workable solutions will be required to complete the field thesis successfully. Students will benefit from industry exposure, possibly leading to longer-term engagement and networking opportunities with field leaders.

SUMMER
After two semesters of study, students take a 3 credit hour course in Applied Data Analysis as part of the core courses.

As a public sector professional, it was exciting for me to learn that SDSB-LUMS has launched a Master of Science degree specialising in Business and Public Policy. Being a renowned name in the field of education, expanding its footprint in the area of public policy came with the thought that LUMS will live up to my expectations and facilitate its students through interaction with top industry experts, helping them to develop a knowledge bank and skillset very relevant to the public sector in Pakistan.

ADMISSION CRITERIA

Admission is purely merit-based and rests solely on the following criteria:

**Academic Record**

A minimum of sixteen (16) years of education leading to a Master's or Bachelor's* or equivalent degree in a relevant discipline including Business, Management and Commerce.

A student with a non-business background may be required to take pre-requisite courses to be determined by the LUMS Admissions Committee depending on the academic background of the applicant. Options to do this will be given to accepted applicants requiring pre-requisite courses.

*Applicants holding only a Bachelor's degree of less than four years' duration will be required to produce an equivalence certificate issued by the Higher Education Commission (HEC), Pakistan. Prior university studies must be from a university recognised by the Higher Education Commission (HEC), Pakistan.

**Admission Test Requirements**

Applicants are required to take the GRE (General) or Graduate Management Admission Test (GMAT) or NTS GAT (General) in order to be considered for admission.

For further details on GRE (General), GMAT and NTS GAT (General), please visit www.ets.org, www.mba.com and nts.org.pk

**Statement of Purpose**

Applicants will be asked to submit a written statement of purpose. It should identify in clear terms why they think they are suited to the programme. They should state how the degree would enable them to achieve their career goals.

**Two Recommendation Letters**

Recommendation letters should indicate the applicant’s academic performance, commitment to excellence and their strong aptitude for business education. These can be from professional as well as academic referees.

**Work Experience**

Students registered for the Master of Science in Business & Public Policy will particularly benefit from work experience of one year or more in the relevant field because of the nature of the programme contents and this will give them a possible edge in gaining admission. However, experience is not essential for admission to the Programme.

**Submission of Online Application, Application Processing Fee and Online Supporting Documents**

Complete online application, application processing fee and supporting documents should be submitted by the stipulated deadline. Submission of a minimum of two recommendation letters is compulsory.

**Application Review**

The relevant committee to finalise admission decision will review shortlisted applications. Applicants are encouraged to provide complete information regarding their academic achievement, research reports, attended workshops, extracurricular activities and must tell LUMS about significant experiences that can strengthen their applications.

**Interview (if called)**

Only short-listed candidates will be called for interviews.

**NOTE**

- GRE (General)/GMAT taken more than five (5) years before the admission deadline will not be accepted.
- NTS GAT (General) taken more than two (2) years before the admission deadline will not be accepted. A cumulative score of 50 in GAT (General) is a requirement for admission.
