

Dear Reader,

As we mark 35 years of the University, we have much to be proud of – from excellence in academics and groundbreaking research to a diverse body of Luminites making a difference around the world. However, this journey would not have been possible without the support you have provided the University throughout the last three and half decades. This was why it made a lot of sense and an absolute honour to initiate the University's 35 years' celebrations with our donors in December 2021. It was a memorable evening spent with people who believe in the LUMS cause, and whose generosity has been integral to many of the success stories coming out of the University.

Students from all over the country converge at LUMS to learn, find answers, and embrace experiences that will help them fulfil their dreams and ambitions. Together with our faculty, they are able to work on innovative solutions to the world's most pressing issues. It is thanks to your donations, that the LUMS community has access to these world-class opportunities and state-of-the-art infrastructure.

We take great pride in how you have partnered with the University in its journey so far, and as we celebrate its successes, we set our eyes on achieving many more milestones together. I look forward to your partnership and support in the decades to come.

Stay safe and healthy!

The commemorative ceremony held in December 2021, was a tribute to all the donors who have been pivotal to the LUMS journey

35 Years of Excellence at LUMS

The year 2021-22 marks the 35th anniversary of LUMS. Ever since its inception in 1985, the University's leadership, faculty, students, staff, donors and alumni have built a legacy of hard work, dedication and integrity.

The Platinum Donors

The Gold Donors

Over the past three decades, patronage and trust from our donors has allowed us to continue our mission of providing accessible education to all. To celebrate this milestone, the University acknowledged the leadership of its founding members as well as its partnership with the industry through a special commemorative ceremony hosted at the campus on December 11, 2021.

The evening was a special tribute to all the donors who have played a pivotal role in the successful journey of LUMS and its transformational endeavours.

The attendees included philanthropists, alumni, corporate representatives, government bodies, and bilateral agencies who had contributed significantly towards LUMS' success over the past 35 years.

Syed Babar Ali, Dr. Parvez Hassan, Mr. Abdul Razak Dawood, Mr. Shahid Hussain, and Dr. Arshad Ahmad

The ceremony also included a panel discussion with the University’s founding members who discussed the journey of LUMS and how they envision its future. The session was moderated by Dr. Arshad Ahmad, Vice Chancellor. Here’s what they had to say.

Syed Babar Ali
Founding Pro Chancellor

“During the past 35 years, I am very happy to see some of our earlier graduates create tremendous impact. Not only have they done well for themselves and their families, but they’ve also done really well for their societies and communities. They have also created a strong international network through which they are helping recent alumni from LUMS secure the same kind of opportunities they have gotten.”

Mr. Shahid Hussain
Rector

“Every initiative that we have undertaken over the last 35 years has two factors embedded in it; whatever we do needs to have an element of excellence in it and whatever area we have chosen should be impact-driven. We want to create impact through our programmes, world-class faculty and research.”

Dr. Parvez Hassan
Member, Board of Trustees

“The first realisation that I brought to the table was that business entrepreneurship needs legal discipline. The business programme at LUMS was the first in the country that introduced a course on law, after which we soon built a law school. I am very proud to say that the Shaikh Ahmad Hassan School of Law is already being counted as a very strong presence in legal education, not only in Pakistan, but at top universities outside the country as well.”

Mr. Abdul Razak Dawood
Pro Chancellor

“The University has to move into the hands of our graduates and alumni. In the future I would like to see a time when the Pro Chancellor of this great institution will be a woman, and our graduates have grown to a level where we will see some Nobel Laureates walking around our campus.”

Hear From Our Supporters

“LUMS has contributed tremendously towards the economic well-being of this country. I strongly believe that the way forward for Pakistan is for us to invest in such institutions. By educating our young generation, we will be able to make a great difference in Pakistan.”

Mr. Fawad Mukhtar

CEO,
Fatima Group

“We have been partners with LUMS since 2010 and our objective is to support talent; the University is also working towards the same goal through their National Outreach Programme. We are aligned with a common goal and hope to continue our support.”

Mr. Naveed Akbar Cheema

Senior Manager,
Punjab Educational Endowment Fund (PEEF)

“We wanted to support the Law School at LUMS to honour the memory of Saleha’s father, Abid Hassan Minto, who was an eminent personality in law. Both of us want to create a domino effect through this endowment fund and play our part in creating generational impact.”

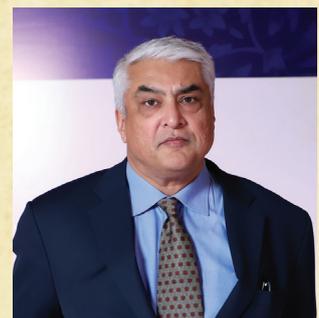

**Mr. Imran Khan (MBA '95)
& Ms. Saleha Minto**

“The primary reason I support LUMS is because of Syed Babar Ali as he represents excellence. The University has contributed immensely towards Pakistan and its graduates have done very well abroad and have represented Pakistan in an amazing way.”

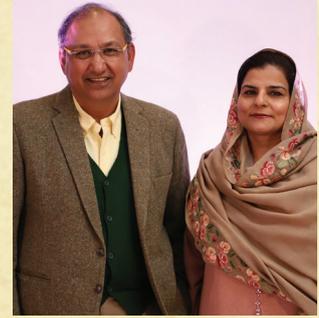

Mr. Mehdi Mohsin

Director,
Mitchell's Fruit Farms Limited

“The Class of 1988 was the first batch to graduate from LUMS. When we went out, we realised, and so did the market, that LUMS produced excellent graduates. The University still has the same vision it started off with. Whatever we are today, we credit it all to LUMS.”

**Mr. Naweed Sharif
& Ms. Ayesha Naweed**
(MBA '88)

“Our son, Zeeshan Shaukat (BSc Class of 2014) passed away in a road accident in 2015. It was in his memory that we started a scholarship fund so his memory will live on.”

Brig. & Mrs. Shaukat Aslam

“Our friends who initiated our class fund belong to very humble backgrounds. LUMS provided us with immense opportunities after graduation and we wanted to pass on the same opportunities to other students who are less fortunate than us.”

Mr. Muhammad Zeeshan Chaudhry
(BSc '06)

“My father was one of the founding members of this great institution and I had the honour to name the Economics department after him — Chaudhry Nazar Muhammad Department of Economics. It was a very proud moment for us and we hope to take this support forward in the future.”

Mr. Zahid Hussain
Chairman,
Borjan (Pvt.) Ltd.

“When we lost our son, Uzair Tauqeer in a car accident, we decided to donate his university fee to LUMS. The Uzair Tauqeer Scholarship Fund supports scholars from the National Outreach Programme and ensures that no student is excluded from higher education because of financial reasons.”

Mrs. Samia Tauqeer
(Wife of Mr. Tauqeer Mazhar, MBA '88)

“Pakistan State Oil (PSO) has partnered with LUMS because we believe that it is only through education that we can take Pakistan to new heights and turn it into a developed nation. I am very hopeful that our donation will assist LUMS in its mission towards providing inclusive education.”

Brig. (Rtd.) Rizwan Ahmed
General Manager Administration,
Security Services Department and CSR, PSO

“I would like to commend the founding fathers for their vision, which has now culminated in 35 years of excellence and five schools with access to global knowledge and global solutions. Our focus should be on the next 35 years and our future will lie with all those who will walk through these halls in the next 35 years.”

Ms. Fatima Asad-Said
(MBA '97)
CEO,
Abacus Consulting

“We have made contributions in two categories within LUMS; one, towards the National Outreach Programme, assisting students from disadvantaged backgrounds, and the second, towards the naming of the tennis courts in honour of Syed Dilawar Abbas, as we wanted his memory to be preserved at LUMS.”

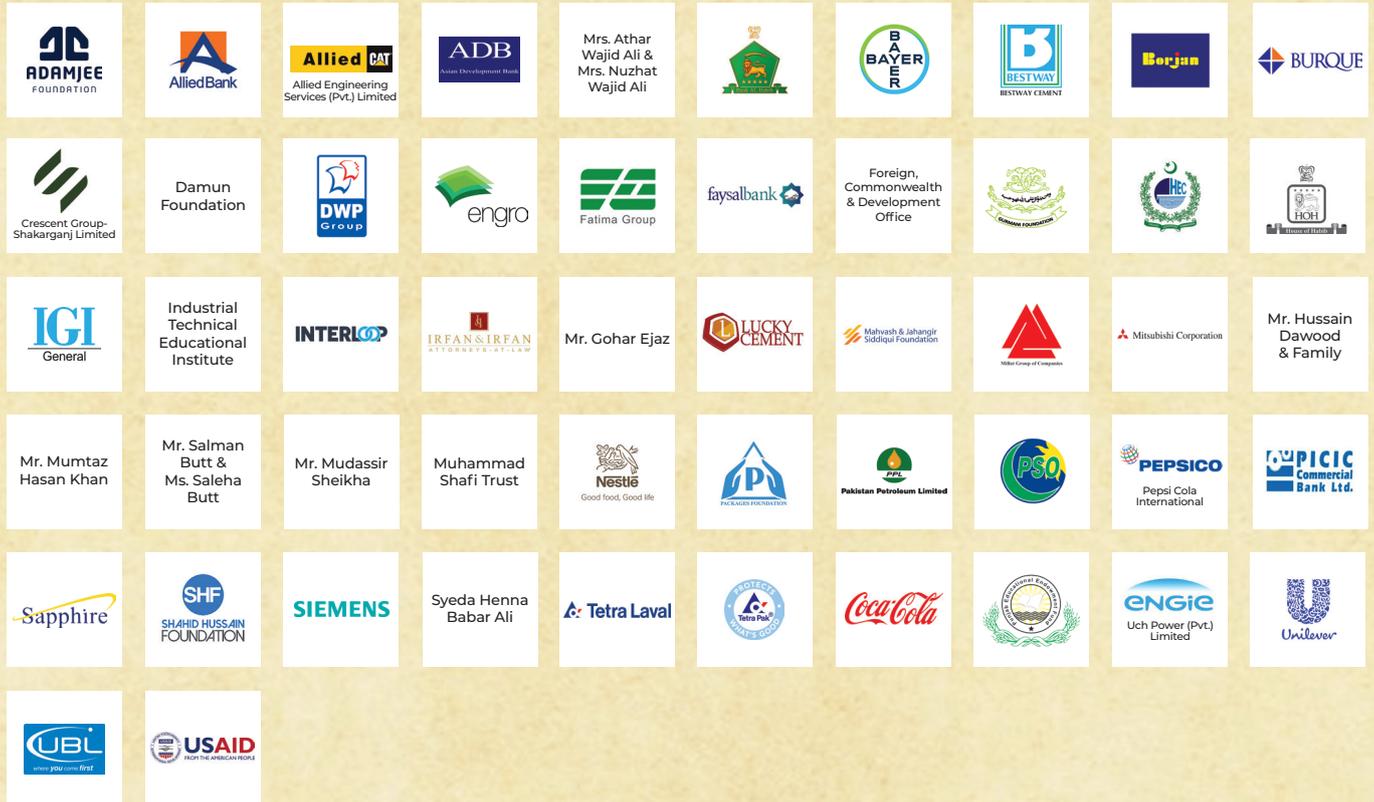

Syed Ali Murtaza
