## What is Site Navigation?

## **Site Navigation**

sites in which you are enrolled. You may also return to My Workspace at any time by clicking on the **My Workspace** button on the left. There is also **Logout** button in the far right hand corner to exit the system.

## Jump to site tools.

The top site navigation can only display a small number of sites. If you have many active sites, clicking the down arrows on the **More Sites** button will display all of your actives sites. Sites are grouped by academic term and type of site (i.e. course or project sites).

Note: Inactive or Archived sites will not display in the More Sites listing. You can access inactive sites from the Membership or Worksite Setup tools.
