

MS ECONOMICS

EMPOWERING EVERY JOURNEY

Mushtaq Ahmad Gurmani School of Humanities and Social Sciences

MUSHTAQ AHMAD GURMANI

SCHOOL OF HUMANITIES AND SOCIAL SCIENCES

Creating Leaders with Analytical Insight and Global Perspective

Founded in 1985 as a not-for-profit, LUMS believes in making quality education accessible while breaking academic, geographic, and socio-economic barriers to enhance students' academic exposure.

Launched in 2002, the MS Economics programme at the Mushtaq Ahmad Gurmani School of Humanities and Social Sciences (MGSHSS), LUMS, is a top-ranked course in Pakistan. Designed for both fresh graduates and professionals, it combines high-quality teaching and research to prepare students for careers in business and policy.

WHY MS ECONOMICS AT LUMS?

The MS Economics programme provides an unparalleled learning opportunity with access to:

DATA RESOURCE UNIT SUPPORTING STUDENT RESEARCH

Students are encouraged to undertake a one-year thesis. Moreover, there are mandatory research projects in core and elective courses. The Data Resource Unit supports research with 200+ datasets and computational tools.

RECENT PLACEMENTS

Adam Smith
International

Being part of the MS Economics programme at LUMS was a truly inspiring experience. It gave me the exposure and intellectual foundation I needed to grow, shaping both my personal and professional life. Working as a research assistant with several faculty members in the Economics Department on multiple research projects taught me how to think critically about data and research, and that mindset still guides my work as an Economist at the World Bank.
