THE UNIVERSITY

LUMS is a national not-for-profit University, established by sponsors belonging to the country's leading private and public sector corporations. The goal of the sponsors was to develop an institution that would provide rigorous academic and intellectual training and be a feasible alternative to leading universities abroad.

The National Management Foundation, the sponsoring body of the University, was incorporated in November 1984 and was granted a charter by the Government of Pakistan for establishing the University in March 1985, with the President of Pakistan being designated the role of the University's Chancellor. Through this charter, the University was given the legal right to establish degree-granting programmes. The Board of Trustees, the policymaking body of the University, comprises leading members of the business community, academia and representatives of the government. The principal functions of the Board are to set broad policy guidelines and to review the operations of the University. The Board of Governors, being the sponsors of LUMS, raises the necessary funds for the University's operations and maintenance. Many board members are representatives of the business community and form a crucial link between the University and the industry.

In 1986, LUMS launched its business school with a world-class MBA programme; the school was renamed as the Suleman Dawood School of Business (SDSB) in 2004. In 1994, LUMS started a BSc Honours programme in economics and computer science. Over subsequent years, the University evolved to include more specialisations. In 1999-2000, the School of Arts and Sciences (SoAS) was formed to oversee the undergraduate programmes at LUMS. Later on, graduate programmes in economics, computer science and computer engineering were also added, followed by the launch of doctoral programmes in computer science, computer engineering (later changed to electrical engineering) and mathematics. In addition, a Bachelor's programme in two majors: accounting and finance, and management science, a PhD programme in management and an executive MBA programme were added to the programmes offered by SDSB. In 2002, a five-year, integrated, BA-LL.B degree was also included to the list of programmes offered by SoAS.

As the programmes and departments expanded, it became apparent that the scope and diversity of the programmes offered by SoAS demanded more meaningful division and focus. Hence, in 2006, the School of Humanities and Social Sciences was established which was later renamed as the School of Humanities, Social Sciences and Law (SHSSL) in 2008 that oversaw the Social Sciences, Economics and Law Departments. The School of Science and Engineering (SSE) was launched in 2008 to oversee the departments of mathematics, computer science, physics, chemistry, biology and electrical engineering. Both schools have been renamed as Mushtaq Ahmad Gurmani School of Humanities and Social Sciences (MGSHSS) and Syed Babar Ali School of Science and Engineering (SBASSE), respectively. A fourth school, Shaikh Ahmad Hassan School of Law (SAHSOL) was launched in 2013. Approved by the Board of Trustees in 2017, the Syed Ahsan Ali and Syed Maratib Ali School of Education (SOE) was established as the fifth school at the University, offering an MPhil in Education Leadership and Management and a minor in education.

In 2020, SDSB further expanded its portfolio by launching three new MS Programmes, MS in Healthcare Management and Innovation, MS in Technology Management and Entrepreneurship and MS in Business and Public Policy. In the same year, MGSHSS also launched a new minor in Gender and Sexuality Studies.

ORDER OF PROCEEDINGS

Saturday, January 15

11:00 - 11:45 am	Guests arrive
11:45 - 12:00 noon	Students and Academic Procession enter
12:10 pm	Welcome by the Registrar, Recitation from the Quran, National Anthem and screening of LUMS video

KEYNOTE SPEAKER DR. ARFA SAYEDA ZEHRA

Educationist, Public Intellectual, Culture Expert, Gender Specialist, Human Rights Activist and Social Nationalist

Dr. Zehra is a renowned educationist and has gained a prominent position in society due to her exemplary work for culture and human rights, especially for women. Educated in Pakistan and the USA, in Urdu and History, she takes pride in being a student of life and has a sense of honour in her roots that lie in the great tradition and glorious history of the subcontinent.

Among her many achievements, her role as Chairperson, National Commission on the Status of Women, Pakistan, contribution to promotion of the arts, especially literature, and teaching are most cherished to her. With a teaching experience of 55 years, Dr. Zehra is highly accomplished, revered and respected for her expertise in the field.

She was honoured as a Fellow of the National College of Arts (NCA), Lahore, is a recipient of the East-West Center Association Distinguished Alumni Award, Hawaii, USA, Fatima Jinnah Award and International Sophist Award. She also has the honour of holding the UNESCO Chair.

GIVING IS THE ESSENCE OF LIFE

How you can support your daughter/son's alma mater

For more than three decades, the LUMS Community—students, parents, staff, donors, alumni, faculty—has sustained the aspirations of generations of students by supporting the University with its contributions. One in every three students at the University is on financial aid annually. This translates into 20 to 135 percent support in tuition fee of a deserving student.

As propagators of educational excellence, we carry a shared responsibility to create a positive change and sustain its impact on the communities around us. By supporting the LUMS scholarship initiatives, you will influence the future of Pakistan and support one of the University's highest priorities—to enrol the brightest and most highly motivated students, regardless of their financial circumstances. Ever since its inception, LUMS, a not-for-profit institution has given approximately PKR 5.85 Billion in financial support to students; during the academic year 2019-20, PKR 869.8 Million financial aid was disbursed.

The University continuously steps up to educate brilliant individuals from underprivileged backgrounds from across Pakistan through its National Outreach Programme (NOP) covering their full tuition and board expenses. To date, over 1,194 students coming from some of the most underdeveloped areas of Pakistan have earned an education they could only have dreamt of. Of these, 711 NOP students have graduated so far. All these graduates have done well for themselves and 50+ of them have even received international scholarships to study at top universities of the world.

Any form of financial support that you give is an investment into the future of a talented student. You can support these high need students excelling academically at the University by donating any amount or fully funding a student as follows:

MAKE A DONATION TO LUMS

Join us by supporting students and educational efforts at LUMS! We encourage you to contribute to LUMS for student scholarships, research or infrastructure by designating your donation. Start with any amount you wish to donate or help to create an endowment that would support a student in perpetuity - you have a wide range of choices. Become part of the transformative experience of bright minds in Pakistan and around the world. Some of the ways in which you can contribute are:

ANNUAL DONATION (ONE-TIME/RECURRING)

Category	Annual Requirement (PKR)
Unnamed, unrestricted gift for university needs and requirements	Any amount
Named scholarship, donated annually, to support the studies of 1 financially needy scholar at the Graduate level (except MBA). This sponsorship covers the following expenses: • Tuition Fee • Lab Charges (If any)	0.5 million
Named scholarship, donated annually, to support the studies of 1 financially needy scholar at the Undergraduate level. This sponsorship covers the following expenses: • Tuition Fee • Lab Charges (If any)	0.9 million
Named scholarship, donated annually, to support the studies of 1 National Outreach Programme Scholar at the Undergraduate level. This sponsorship covers the following expenses: • Tuition Fee • Lab Charges (If any) • Hostel Accommodation • Reading Material and Living Allowance	1 million

Perpetual/Endowed Gift

Category	Amount Required (PKR)
Unnamed, unrestricted endowed gift for university needs and requirements.	1 million
Named endowed grant for support of 1 Undergraduate scholar's studies. The sponsorship covers the following expenses: • Tuition Fee • Lab Charges (If any)	14 million
Named endowed grant for support of 1 Graduate scholar's studies. The sponsorship covers the following expenses: • Tuition Fee • Lab Charges (If any)	11 million
Named endowed grant for support of 1 Undergraduate National Outreach Programme Scholar. This sponsorship covers the following expenses: • Tuition Fee • Lab Charges (If any) • Hostel Accommodation • Reading Material and Living Allowance	18 million
To sponsor high impact research in any field of study, interested donors can fund a project or set up an endowed chair.	
To help the University build and maintain state-of-the-art infrastructure, donors can donate towards constructing a new building or name an existing infrastructure.	

How to Donate to LUMS

Please visit : <https://giving.lums.edu.pk/overview-givings>
or drop an email at : giving@lums.edu.pk

As a US citizen, you can donate through "Friends of LUMS - USA Association", a tax-exempt entity registered in the United States under Section 501(c)(3) of the IRS Code.
