"The LUMS MBA programme offers high quality education via the case study method, excellent faculty, strong linkages with the local business community and international business schools." - Muhtashim Ashai

"While no business school can fully prepare you for challenges of the real world, the LUMS MBA experience with its quantum of work and performance pressure, diversity of classmates, case study method, interactive and rich group and class discussions sure brings it close. Also the placement of LUMS graduates in top notch national and international companies makes it the best option in Pakistan." - Yousuf Ali

"Candidates holding only a Bachelor’s degree of less than four years duration will be required to produce an equivalence certificate of completion of 16 years of education issued by the Higher Education Commission (HEC), Pakistan."
