## Faculty

With 204 PhDs from some of the world's top institutions, LUMS is proud of its academic leaders whose class teaching and industry engagement is guided and enhanced by their world-class research activities.

## Life at LUMS

A unique experience awaits you when you join LUMS. This life and dynamism is best manifested through 50 student founded and managed societies to cater to the diverse extracurricular interests of the students ranging from dramatics to debating, from music to photography and from entrepreneurship to management. Last year alone, LUMS witnessed **318** events by clubs and societies. In addition, LUMS maintains strong linkages with society and industry that enables industry experts, public and civil servants, business leaders, policymakers and foreign diplomats to regularly visit LUMS and engage with the students.

## A World-class Campus

LUMS advocates a culture of academic excellence, tolerance, research, diversity and freedom of thought. The secure University Campus, spread over 100 acres, provides excellent on-campus accommodation, world-class sports facilities, a state-of-the-art library, a variety of dining facilities and an unforgettable experience. At LUMS, we aim to make a difference by living up to our mission and our quest for excellence continues in education, research and in making a difference to the society.

## Financial Support at LUMS

LUMS consistently strives to make all its educational programmes accessible to the best talent, regardless of their ability to pay. Since its inception, LUMS has disbursed PKR 4.7 Billion in financial assistance, with approximately 35% of the student body receiving some form of financial support each year. To encourage the study of Basic Sciences and Mathematics, partial tuition fee is waived off for all MS students, while 100% scholarship is offered to all admitted PhD students.

The National Outreach Programme (NOP) fully funds top deserving talent for a world-class education and experience at LUMS. To date, 1,100+ scholars have benefited from this programme and this number grows with each passing year. The University continues to uphold its philosophy to support the best and brightest from all social and financial backgrounds.
